Re: H.R. 1156 LEOSA Reform Act.

Honorable Representative Bacon,

As the duly elected Vice President of the Association of Former New Jersey State Troopers, I can proudly attest that our Association of Former Jersey Troopers wholeheartedly supports your introduction of the LEOSA Reform Act.

The issues you have brought forth in your H.R. 1156 LEOSA Reform Act Bill are well noted by our retirees and we sincerely appreciate your help in clarifying and strengthening the Law Enforcement Officers Security Act, an Act as you know was passed to enhance the safety and security of our great nation.

We look forward to following the progression of this bill as it moves through the process of becoming law and we'll continue to support you in the furtherance of this process. We respectfully request that you add our organization's name as supporting this very important legislation.

For the President:
Nicholas C. Soranno

Respectfully submitted,

George J. Wren, Jr. – Vice President
