

I would like to take this opportunity to recognize two of our members for going far beyond the call of duty. We just finished our annual Picnic and the Heritage Foundation's annual golf tournament. Now these are two completely different events and as such cannot compare apples to apples. But that is not what I want to recognize. Nick Seranno is the Chairman of the golf tournament and Steve Collins run the Picnic. Both of these men devoted a full year of personal commitment to connect the endless dots that need to be connected to make these events happen. They both truly worked day and night in the hope of providing a perfect, successful and enjoyable time for all of our guests. There is no amount of thanks I can state here to show my gratitude for the unselfish and astronomical efforts of Nick and Steve. I would just express my most sincere gratitude for all they did and do. If you come across them in your travels, please join me in shaking their hands and thank them.

Thank you,

Bob Wilk
